

SBH President and CEO

St. Boniface Hospital is seeking a visionary and strategic individual interested in leading one of Manitoba's largest healthcare facilities. The President and CEO will lead the organization with agility and innovation within Manitoba's evolving health care landscape, ensuring alignment with provincial and regional goals and working in collaboration with public and private partners.

A multifaceted organization including a wide range of patient care services, internationally renowned research programs and supported by a vibrant Foundation with strong donor and community connections, St. Boniface Hospital is a major partner in the delivery of health services to the people of Winnipeg and Manitoba through the Winnipeg Regional Health Authority. St. Boniface Hospital is a designated bilingual tertiary hospital located in Winnipeg sponsored by the Catholic Health Corporation of Manitoba (CHCM).

The ideal candidate will demonstrate a commitment to the organization's faith-based values and mission, be fluent in English and French and have an understanding and appreciation of the role of culture, language and community in the organization and delivery of health care services.

The President and CEO is expected to work closely and collaboratively with the CHCM sponsored Communities of Service and other community agencies to identify opportunities to enhance patient care and outcomes.

The President and CEO's primary role is to ensure the efforts of all stakeholders of the Hospital are aligned to deliver excellent compassionate patient-centered care.
