St. Boniface Hospital is pleased to present,
St. B Hive, its annual cultural exhibition and artisan sale
celebrating Manitoba Culture Days

Friday September 29th, 2017!

St. Boniface Hospital recognizes the benefits of the arts in health and healing, and its impact on the fabric of daily life and the community as a whole.

Admission is free...Participate and enjoy! All activities will take place in the Everett Atrium, St. Boniface Hospital's main entrance. Also located within the Everett Atrium is La Boutique - Gift Shop, retail food Marché, Shoppers Drug Mart and the Buhler Gallery, showcasing visual art and open to all patients, visitors and staff at no charge.

Last year's entertainment included the musical stylings of the Manitoba Chamber Orchestra; Stephanie Ballard's Landscape Dancers and Peaceful Village Mosaic Dancers.

Other events are planned for September 29, 2017 The Everett Atrium will be transformed into a hive of cultural activity to include music, art and dance for all to enjoy.
St. B Hive 2017 entertainment and activities is to be announced.

All net profits from the St. B Hive will be directed to the Hospital's Auxiliary, which supports patient care and employee projects.
